Mission Statement

The SAFEFTP application seeks to provide a means to distribute **unclassified** files as an alternative to using email, or standard ftp services.

Notice

- Use of the application constitutes the user's consent to monitoring.
- Use of the application is limited to official US Government business only.
- Unauthorized use is subject to criminal prosecution.

By using this IS (which includes any device attached to this IS), you consent to the following conditions: The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations. At any time, the USG may inspect and seize data stored on this IS. Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose. This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy. Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential.

Thank you for visiting the SafeFTP and reviewing our voluntary information disclosure policy. Our voluntary information policy is clear: We will collect no personal information about you when you visit our website unless you choose to provide that information to us.

---

1. The SafeFTP site is provided as a service to the users of this site.

2. The standard information requested on this form of Name and Email is required in order for a reply to be presented back to you.

3. The 'SafeFTP Notification Email' that is produced is sent to a designated point of contact that is created from the originator. The information is not kept for any purposes other than action from the originator.

4. If you choose to provide your name and email to us via the SafeFTP, this information will be treated as confidential and will only be made available on a need to know basis for resolution of the submission, but can not assure that the originator or recipients will not forward the notification.

** This system is for Unclassified Data Only **
